

Remember

Dommin

A smile that can stop the heart
An embrace that joins to lovers
The world couldn't tear apart
Eyes pierce the soul
And a life made complete
By the angel I hold

Do you remember
What it feels like to fall in love?
Well I remember
What it feels like to fall in love
Since I saw you.

A voice that sounds like home
When the stars fell like rain
And your heart became
My only reason to keep believing
Life could be so good
Do you remember...
