Taking You Home

Don Henley

I had a good life Before you came I had my friends and my freedom I had my name Still there was sorrow and emptiness 'Til you made me glad Oh, in this love I found strength I never knew I had

And this love Is like nothing I have ever known Take my hand, love I'm taking you home I'm taking you home

There were days, lonely days When the world wouldn't throw me a crumb But I kept on believing That this day would come

And this love Is like nothing I have ever known Take my hand, love I'm taking you home I'm taking you-home Where we can be with the ones who really care Home, where we can grow together Keep you in my heart forever

And this love Is like nothing I have ever known Take my hand, love I'm taking you home Taking you home

And this love Is like nothing I have ever known Take my hand, love I'm taking you home I'm taking you home
