

He Loves You

Don Moen

He set you free
So you could see
How much He loves you
Just take a look
It's in His book
How much He loves you
His Word reveals
All that He feels
He spelled it out
Never a doubt

He loves you
Just because He loves you
Just because He loves you
He loves you
Just because He loves you
Just because He loves you
There's nothing you can do to make Him love you more
There's nothing you can do to make Him love you less
He loves you
Just because He loves you
Just because He loves you

Once we were lost
Needing the cross
Needing a Savior
He came to earth
A humble birth
Born in a manger
His words were truth
His life was proof
He was God's Son
Sent for each one

He loves you
Just because He loves you
Just because He loves you
He loves you
Just because He loves you
Just because He loves you
There's nothing you can do to make Him love you more
There's nothing you can do to make Him love you less
He loves you
Just because He loves you
Just because He loves you

He loves you
He loves you

There's nothing you can do to make Him love you more
There's nothing you can do to make Him love you less

He loves you
Just because He loves you
Just because He loves you

He loves you

He loves you
