

# Caught In A Life

Donkeyboy

I'm caught in a life  
Now I can't get out  
There's money enough  
But it don't work out

So what can I say?  
What can I do?  
I'm running in circles, save me  
It's holding me down  
What about you?

What can I say?  
I'm caught in a life  
I'm running in circles, save me  
It's holding me down  
What about you?  
I'm caught in a life

From now  
The streets will burn  
Look, my feet caught fire now  
The downsides I have learned

And I  
Will break this spell, maybe  
I am the wizard now  
Living is my plan

But, if we  
Live by a plan  
Can we collide?  
Collide again

So what can I say?  
I'm caught in a life  
I'm running in circles, save me  
It's holding me down  
What about you?  
I'm caught in a life

So what can I say?  
I'm caught in a life  
I'm running in circles, save me  
It's holding me down  
What about you?

So what can I say?  
I'm caught in a life  
I'm running in circles, save me  
It's holding me down  
What about you?
