

# Yes We Can Can

Donnie McClurkin

Now's the time for all good men  
To get together with one another  
We've got to iron out our problems  
And iron out our quarrels  
And try to live as brothers  
We've got to try to find peace within  
Without stepping on one another  
And do respect the women of the world  
Remember, we all have mothers

You gotta make this land a better land  
In the world in which we live  
We gotta help each man and each woman be better  
By the kindness that we give  
I know we can make it, I know real well  
We can make it, yes we can, can...  
Yes we can, I know we can, can  
Yes we can, can, a why can't we if we wanna  
Yes we can, can

I know we can make it work  
I know we can make it if we try  
Yes we can, I know we can, can  
Yes we can, Great God Almighty  
Yes we can, I know we can, can  
(We can make it work, I know we can)  
(Well)  
Yes, we can can...

We've got to take care of the children  
The children of this worrld  
For they are the strongest hope for the world  
The little bitty boys and girls

[Repeat Chorus & Ad Lib till fade]
