

# I Love You More Than You'll Ever Know

Donny Hathaway

If I ever leave you baby... you can say I told you so  
And if I ever hurt you... you know I hurt myself as well

Is that anyway for a man to carry on  
Do you think I want my loved one gone  
Said I love you  
More than you'll ever know  
More than you'll ever know

When I wasn't making much money  
You know where my paycheck went  
You know I brought it home to ya baby  
And I never spent a red cent yeahhhh

Is that any way for a man to carry on  
Do you think I want my loved one gone  
Said I love you  
More than you'll ever know  
Heyyah  
More than you'll ever know

I'm not trying to be  
just any kind of man... no I ain't  
I'm just trying to be somebody  
You can love, trust and understand  
I know I know I know that I can be  
A part of you that no one else could see... yeah

But I got to hear you say,  
I got hear ya say  
its alright

I'm only flesh and blood  
But I could be anything that you demand  
I can be king of everything or just a tiny grain of sand

Now tell me  
Is that anyway for a man to carry on  
Do you think that I want my loved one gone  
I love you... more than you'll ever know  
I said I love you I love ya I love you  
Heyyah don't want nobody else I don't need nobody else
