

# You Are My Heaven

Donny Hathaway

An angel whispered to me when I woke this morning  
That I would find heaven by my side  
And there you were you angel, heaven in the morning  
Laying in my arms and in my life

And I reached this decision, I love you, my religion  
That is in my soul and in my heart  
No one could ever change my mind, oh, no  
'Cause I got you here right by my side

You are my love  
(You are my love)  
You are my heaven  
You are my love  
Make me sing la di da

You are my love  
(You are my love)  
You are my heaven  
Darling, I, oh  
I won't let them take you away  
(Won't let them take you away, take you, baby)

If angels whispered to you early every morning  
It's really something wonderful and rare  
I get up in the morning feeling that forever  
I have all your love and all your care

If someone tries to tell that I do not love you  
Tell them they must be out of their mind  
I ain't gonna let them change my mind, oh, no  
'Cause I got you here right by my side

You are my love  
(You are my love)  
You are my heaven  
You are my love  
(You are my love)  
Make me sing la di da

You are my love  
(You are my love)  
You are my heaven  
Darling, I, oh  
I won't let them take

Darling, I, oh  
I wont let them take  
Darling, I, oh  
I won't let them take you away  
(Won't let them take, take you, baby)

You are my love  
(You are my love)  
You are my heaven  
You are my love  
(You are my love)

Make me sing la di da

You are my love  
(You are my love)  
You are my heaven  
Darling, I, oh  
I won't let them take you away  
(Won't let them take)

You are my love  
(You are my love)  
You are my heaven  
You are my love  
(You are my love)  
Make me sing la di da

You are my love  
(You are my love)  
You are my heaven  
Darling, I, oh  
I won't let them take you away  
I won't let them take you

You are my love  
(You are my love)  
You are my heaven  
You are my love  
(You are my love)  
Make me sing la di da

You are my love  
(You are my love)  
You are my heaven, oh
