

Because I'm Loving You

Double You

Na na na na, na na na na
I'm loving you
Na na na na, na na na na

Because loving you
Boy you broke my heart in two
And there's nothing i can do

Without you i'm loving you
Reach out to me lover
And try and tell me what is wrong

We love one another
It's to you i do belong

Just trust in me baby
We've been together far so long

You've got to believe in me
We've got something going on

Because loving you
Boy you broke my heart in two

You can't stop me as is true
For loving you, boy this is true
I love you

And there's nothing i can do
Now you've gonna feel so good
Without you i'm loving you

Reach out to me brother
And i will tell you what to do

Reach out to me sister
And there'll be someone there for you

Love is the solution
And i'm sure this much is true

Lets tell everybody
And you know i need you too

Because loving you
Boy you broke my heart in two

You can't stop me as is true
For loving you, boy this is true
I love you

And there's nothing i can do
Now you've gonna feel so good
Without you i'm loving you
