

She's Beautiful

Double You

Tell me Baby what you are going to do
Tell me Baby what you are going to say
And everytime I try to walk away
And everytime you want to hear me say
I can't sleep without you I trust in your love
I never wanted us to end this way
And everytime it's just a game you play
When you walk out the door oh my girl

Is beautiful
She means all the world to me
Ooooh she's beautiful
She means all the world it's extacy

Ooooh... Ooooh...
Tell me Baby what are we going to do
Tell me Baby what are they going to say
And everytime I try to walk away
And everytime you want to hear me say
I can't sleep without you I trust in your love
And we remembered all our yesterdays
Try to give me just another day

She's beautiful
She means all the world
She's beautiful
She's beautiful

Ooooh.. She's beautiful
She's beautiful
