

That's The Way

Double You

That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho

When take me by hand, tell me I'm your loving man
When you give me all your love, and do it babe
The very best you can

That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho

When I get you, be in your arms
When we're all alone
When your whisper sweet in my ears
When you turn me, turn me on

That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho
That's the way oho oho I like it oho oho
