

## Mos' Scocious

Dr. John

I really wanna do you up so bad  
Mos' Scocious  
Down, get down, inside your love  
Mos' Scocious  
Baby come on out your satchel  
Mos' Scocious  
Do the thing so natural  
Mos' Scocious

Don't you tell what you D-I-D  
Can't show me how it T-I is  
Take care of your B-I-Z  
Sell out no L-O-V-E

Bodacious, hellacious Y-O-U  
Mos' Scocious  
Why catch up for you know who?  
Mos' Scocious and soulful baby  
I've got beaucoup love for you  
Crazy over you  
Mos' Scocious  
Crazy over you

Stimulation to my body  
(Whatcha doin to me, Whatcha doin to me)  
Is a heavenly feelin' to my soul  
(Whatcha doin to me, Whatcha doin to me)  
To learn in my heart, I've got your lovin',  
I've got your love  
(Whatcha doin to me, Whatcha doin to me)  
It is soulful as it is bold  
Yeah-yeah-yeah-yeah-yeah-yeah

Haven't I ever felt nobody like you?  
Mos' Scocious  
Mos' Scocious  
Let me fill your ship with love  
Mos' Scocious  
Let me fill your life with happiness  
Mos' Scocious  
Let me fill your heart with love, huh  
Mos' Scocious  
Mos' Scocious  
Yes, soulful baby  
Mos' Scocious  
Crazy over you
