[Eve]
Let's talk about who I am
Blond bee, find me in the hood with my peoples
Love y'all, hate the rest of y'all that I can see through
Above that, I can't feel nothin' unless it's lethal
Testin' your moves, never that, make no position fetal, uh

[Drag-on]
I want to talk about Dog nigga, L-O-X, Eve, and me
Now that's the hottest thing in the streets
Are beats is Swizz
Cheesed up with holes in the shit
Like a log rolled thick
And ain't nothin' sweet but Drag-Eve tracks
Honey Roasted
Burn until its been around the hour, fuck that

[Eve]
Yo let's talk about
Platinum plaques, hangin' on my wall
See me decorated, she's the one
Heard 'em say it, see me celebrate
I pop shit when it's necessary, not for nothin'
I use clips for them big beefs
See me bustin', plow!

[Drag-on]
I want to talk about bitches I fucked
I'm a dog so I can't stand no bitch that hounds
I far from a clown
If I'm not knocking her down, Drag's probably not around
So I'm not one to claim by either one of you dames
If y'all catch Drag with a mane, trust me
She got my last name
Here's the hook, uh

[Drag-on]

Y'all need to see me if y'all want to see shells pop out
Make you say watch out, when I got my glock out
Niggas clock out, cause I run up in your watch house
Snatch up all your rocks out
Then throw your box out
Ya motherfuckers better watch out

[Eve]

Yo, let's talk about fake ass bitches
Lying to yourself, you ain't ready for the world mama
Beggin' every second hungry, life drama

Cause you actin' triflin'
Layin' up, takin' his money, uh

[Drag-on]

I want to talk about live or die
Fuck you and I
Niggas will fry like stripped bacon
I leave them shakin'
Keep 'em sizzlin'
Fuckin' with them you might win
But they only got six shots with a barrel that spin
And us our clip is spinning
And hittin' all their men

[Eve]

I want to talk about ryde or die
My dogs control confrontation
In any situation
Five niggas on your team
Five niggas you replacing
Five niggas used to gleam
Five niggas left with nathan
But their game that we took
And now they back to chase it

[Drag-on]

I want to talk about biting ass niggas
Let me see y'all niggas catch the flow
Go red-vest with the four-four blow
Ya Niggas gonna hit the ground for sure
Nigga let me know if you want more
If he catch you with a pound to choke, you know
