

Giddy Up

Dragonette

I get up a half-empty cup
Check my pulse just to feel the beat
I've got to get goin', put my trousers on
Keep the bed weight off my feet
I'm thinkin' who can I call home? But everyone's all gone
I'll flip the animal week
I'm feelin' that sour as a gally burd
For reasons known should have I staid home

Giddy up
Tu ru tu tu ru tu tu ru tu tu tu
Come man giddy up
Tu ru tu tu ru tu tu ru tu tu tu

Let's get it up now, how much my homie like to
It's a banner, it's useless
So I'm off to war

You sendin' a homie like do it
Cuz I'm in the mood bit
Fightin' this war
Let's giddy up all out the door

I get stuck like a shoe in the mud
Like I do it, I try to be cool
And I got the one, it's a waste of number
Sometimes I'm gonna play the fool

I wanna be tough, show some muscle
Here it comes, out of the blue
That bulldozer just rolls me over
So alright, do it all the night

Now giddy up
Tu ru tu tu ru tu tu ru tu tu tu
Come man giddy up
Tu ru tu tu ru tu tu ru tu tu tu

So get it up now, how much my homie like to
It's a banner, it's useless
So I'm off to war

You sendin' a homie like do it
Cuz I'm in the mood bit
Fightin' this war

How much my homie like do it it it it
My homie like do it it it it

You sendin' a homie like do it
'Cause I'm in the mood bit
Fightin' this war
Let's giddy up all out the door

Tu ru tu tu ru tu tu ru tu tu tu
Tu ru tu tu ru tu tu ru tu tu tu
Tu ru tu tu ru tu tu ru tu tu tu

Tu ru tu tu ru tu tu ru tu tu tu

Aaaaaaaaaaaaaaaaaa ya yaaaaaaaaaaaaaaaa
Voulez vous come so many closer?
Tu ru tu tu ru tu tu ru tu tu tu
'Cause I already go
I bring the fire to the club
Let it go, let it go

Aaaaaaaaaaaaaaaaaa ya yaaaaaaaaaaaaaaaa
Voulez vous come so many closer?
Tu ru tu tu ru tu tu ru tu tu tu
'Cause I already go
I bring the fire to the club
Let it go, let it go

So get it up now, how much my homie like to
It's a banner, it's useless
So I'm off to war

You sendin' a homie like do it
Cuz I'm in the mood bit
Fightin' this war

How much my homie like do it it it it
My homie like do it it it it

You sendin' a homie like do it
'Cause I'm in the mood bit
Fightin' this war
Let's giddy up all out the door

Now giddy up all out the door
