Silent Sentinel

DragonHeart

Take this mission With the valour of your soul Save yourself There's no way out

Silent Sentinel

The strike of iron Won't be heard down the earth Nothing here its look like Kordhen wait for the sacred Knight

Silent Sentinel

Follow the light Follow the bright Follow Knight DragonHeart And we stay side by side

The sacred steel awaits Let your heart leads you Let the sacred steel feel the fear By the hands of Silent Sentinel

Silent Sentinel

We are moving in circles We rise and we fall Beyond the sacred steel We are the sacred Knight

Silent Sentinel

Follow the light Follow the bright Follow Knight Dragonheart And we stay side by side

The sacred steel awaits Let your heart leads you Let the sacred steel feel the fear By the hands of Silent Sentinel
