

Bad Dreams

Dream Evil

I dreamt I woke up in the middle of the night
My heart was pounding like a drum
The world was coloured, but I was in black and white
It was the weirdest of all dreams
That I have had
A dream so bad
I must be going mad
Bad dreams
Bad dreams
Bad, bad dreams
And then I woke up - At least that's what I thought
Things would be normal again
Opened my eyes and saw right through me in the mirror
I must be going insane
That I have had
A dream so bad
I must be going mad
Bad dreams
Bad dreams
Bad, bad dreams
Bad dreams
Bad dreams
Bad, bad dreams
Bad, bad dreams
Bad dreams
Bad, bad dreams
Bad, bad dreams
Bad dreams
Bad, bad dreams
Bad, bad dreams
