

## New Math

Drive Like Jehu

Yeah I'd stoop to that  
Sure I would  
Yeah you been had  
That's how I got my job at the underwriter's lab  
You bet I sucked up  
Every chance I had  
That's how I fixed it  
That's what I did  
And now my knees are spotless and my legs are crossed  
And I needn't spread them  
Cause I can afford  
Piety, chastity, charity, your company
