

## Time to Go

Dropkick Murphys

Go! Go! Black and gold!  
Old-time hockey, bar the door  
Clear the track it's all-out war  
Light the lamp, throw a hit  
Black and gold never quit  
The barn is full, our team's in town  
So put 'em up boys, knock 'em out (knock 'em down)  
Drop the puck, it's time to go (time to go)

Bust outta work, it's quarter-past five  
Time to round up the gang  
and take the Red to the Orange line  
Head for the street and the Causeway crowd  
You can feel it in the air, when the team's in town

Go! Go! Black and gold!  
Old-time hockey, bar the door  
Clear the track it's all-out war  
Light the lamp, throw a hit

Drop the puck, it's time to go (time to go)

Rancourt's ready, it's time to take to the ice  
So tie down the jersey 'cause it could get ugly tonight  
Top corner, five hole, off the post and in  
On a quest for the cup, and we're ready to win
