

## No More Tears

Drugstore

No more tears and no more pain  
I'm gonna go up so high  
I won't fall again  
I'm burning up  
I finally found a way out of these chains  
I ain't having no more tears  
And no more pain  
No more sorrow, unsustained  
Gonna fly into the night  
And find my way  
I'm burning up  
I finally found a way out of these chains  
I ain't having no more tears  
And no more pain  
I'm burning up  
I finally found a way out of these chains  
I ain't having no more tears  
And no more pain
