

# Thinking 'Bout You

Dua Lipa

3 A.M. and my neighbors hate me  
Music blasting, shaking these walls  
This time Mary Jane won't save me  
I've been working later, I've been drinking stronger  
I've been smoking deeper but the memories won't stop

I can't stop thinking 'bout you  
I can't stop thinking 'bout you  
I can't get high, I can't get by, I can't get through  
I can't stop thinking 'bout you

Like poison coursing through me  
Soaking, my vision is blurred  
The haze won't put my mind at ease  
I've been sleeping later, I've been breathing stronger  
I've been digging deeper but the memories won't stop

I can't stop thinking 'bout you  
I can't stop thinking 'bout you  
I can't get high, I can't get by, I can't get through  
I can't stop thinking 'bout you

I want you all  
Say it before you run out of time  
I want you all  
Say it before it's too late  
I want you all  
Say what I am feeling now  
I want you all  
When it is insane

I can't stop thinking 'bout you  
I can't stop thinking 'bout you  
I can't get high, I can't get by, I can't get through  
I can't stop thinking 'bout you

I can't stop thinking 'bout you  
I can't get high, I can't get by, I can't get through  
I can't stop thinking 'bout you
