

# Tomorrow

Duffy

I, I  
Get this creepin feelin'  
That you, you might  
N start believin'  
That we  
We aren't meant to be  
So tell me  
Will you always love me

Tomorrow  
Will bring me sorrow  
Say you  
Say you love me  
But will  
Your change your mind  
But  
Tomorrow  
Will bring me sorrow  
Say you  
Say you love me  
But will  
Your change your mind  
Wooh

I, I  
Get this strange rejection  
Every time  
I look in your direction  
Tell me am I  
Just imagining it  
Oohh  
Tell me  
Will the pieces still fit

Tomorrow  
Will bring me sorrow  
Say you  
Say you love me  
But will  
Your change your mind  
Tomorrow  
Will you bring me sorrow  
Say you  
Say you love me  
Wooh

I pray it's in my mind  
I pray  
I'm reading you wrong  
I know these answers  
Are hard to find  
Please tell me  
I'm wrong

Tomorrow  
Will you bring me sorrow  
Say you

Say you love me  
Will you change your mind  
Tomorrow  
Will you bring me sorrow  
Say you  
Say you love me  
Wooh

I, I, I  
But  
Tomorrow  
Will bring me sorrow  
Say you  
Say you love me  
But will  
Your change your mind  
Wooh
