

# Blind

Dune Rats

Don't think I'm crazy  
I know you're afraid  
We won't go blind  
We won't go blind

I'll always help you  
Remember these day  
We won't go blind  
We won't go blind

Time always tells  
I'm never that right  
We won't go blind  
We won't go blind

Now they're all jaded  
From way too much sight  
We won't go blind  
We won't go blind

I won't grow  
I won't grow

You're lazy, you're stupid  
Mark always said  
We won't go blind  
We won't go blind

You're crazy, you're useless  
It's always the same  
We won't go blind  
We won't go blind

I won't grow  
I won't grow

You're lazy, you're stupid  
You're lazy, you're stupid  
You're lazy, you're stupid  
You're lazy, you're stupid
