

Scott Green

Dune Rats

At a party, who's Scott Green?
Who it is doesn't matter to me
On the phone or watching TV
Just gimme, gimme, gimme, gimme, gimme

At a party, who's Scott Green? (Scott Green)
Cocaine or ecstasy (Ecstasy)
Cigarettes and LSD
It doesn't really matter
Just gimme, gimme, gimme

Has anybody here seen Scott Green? (Scott Green)
I've been looking for that fucker all week
He owes me twenty and I can't call the police
He blew it all away and now there's nothing left for me

At a party, who's Scott Green? (Scott Green)
Cocaine or ecstasy (Ecstasy)
Cigarettes and LSD
It doesn't really matter
Just gimme, gimme, gimme

Scott! (Scott Green!)
Holding out for somethin' to feel
Holding out for somethin' that's real
Holding out for somethin' to feel
I need somethin', I need somethin'

Has anybody here seen Scott Green?
Has anybody here seen Scott Green?
Has anybody here seen Scott Green?
Has anybody... Scott Green?

At a party, who's Scott Green? (Scott Green)
Has anybody here seen Scott Green? (Scott Green)
I'm all out, man, I need Scott Green (Scott Green)
Duncan, yeah, he's Scott Green (Scott Green)

At a party, who's Scott Green? (Scott Green)
At a party, who's Scott Green? (Scott Green)
At a party, who's Scott Green? (Scott Green)
At a party, who's Scott Green?
