

Friends of Mine

Duran Duran

Friends of mine
They said they were friends of mine
Said they were passing time
More like a waste of time

Close the door
I said close the door
I've told you twice before
What are you waiting for

Georgie Davies is coming out
No more heroes we twist and shout
Oh no not me I'm not too late
And I know that I'm not taking anymore
Rocky Picture has lost his gun
Leave him out now he's having fun
Oh no not me I'm not too late
And I know that I'm not waiting any more (hey hey)

Silly lies, don't have to advertise
When will you realize, I'm sick of you alibis

Running cold, the waters running cold
I thinks it's time you were told
I think you're growing old

Georgie Davies is coming out
No more heroes we twist and shout
Oh no not me I'm not too late
And I know that I'm not waiting anymore
Rocky Picture has lost his gun
Leave him out now he's having fun
Oh no not me I'm not too late
And I know that I'm not taking any more (hey hey)

Friends of mine
They said they were friends of mine
They were just wasting time
Out on the dotted line

Moneys gone, I knew it all along
Why don't you say I'm wrong
Why don't they drop the bomb

Georgie Davies is coming out
No more heroes we twist and shout
Oh no not me I'm not too late
And I know that I'm not waiting anymore
Rocky Picture has thrown away his gun
Leave him out now he's having fun
Oh no not me I'm not too late
And I know that I'm not taking any more (hey hey)

What you doing friends of mine
Holding back now friends of mine
I've always heard you calling
