

# Like an Angel

Duran Duran

Oohh, Do-do do-do-do  
Da da da da da

Things that you used to say  
Now take on different meanings you realise  
Can't be too careful about the lines  
Come on you know you're not so young  
You cannot hide behind disguise  
Listen to your own desire

Eyes like an angel  
So wise, don't lie  
You never felt like this before  
Fly like an angel  
So high this time  
You send your senses streaming free

Places you used to go  
When you were young look different in the dark  
Don't you worry it's O.K.  
And maybe I can help you find your way  
Tonight I think you will agree  
Summer reason's run away

Eyes like an angel  
So wise, don't lie  
You never felt like this before  
Fly like an angel  
So high this time  
You've got your senses streaming free

Oh I hear your heart beating even faster now than mine  
Now you know just what I mean.  
So take your place among those twilight gleaming rivers that you read  
Give me reasons to believe

Eyes like an angel - so wise don't lie  
You never feel like this again  
Fly like an angel - so high this time  
You send my senses streaming free

Like an angel... da da da-da  
Like an angel... da da daa
