

# New Moon On Monday

Duran Duran

1. Shake up the picture the lizard mixture  
With your dance on the eventide  
You got me coming up with answers  
All of which I deny  
I said it again  
Could I please rephrase it  
Maybe I can catch a ride  
I couldn't really put it much plainer  
But I'll wait till you decide  
Send me your warning siren  
As if I could ever hide  
Last time La Luna

R: I light my torch and wave it for the  
New moon on Monday  
And a firedance through the night  
I stayed the cold day with a lonely satellite

2. Breaking away with the best of both worlds  
A smile that you can't disguise  
Every minute I keep finding  
Clues that you leave behind  
Save me from these reminders  
As if I'd forget tonight  
This time La Luna

R: I light my torch... (4x)
