

Bang Up

Dwarves

Oh, you and me, we free
Dream, careen, repeat
?Some say seven or rock no Legend on sight?
Yeah, that's what we mean

Yeah, you and me, were cool
High like no high school
Dream original two dimensional team
Make them scream

It's nothing but a bang up
Yeah, It's really just a bang up
And we never wanna stop
Banging them back
Slanging the rock

Oh, you and me, we wild
Styles for miles and miles
Imitating a half-ass faker MC
Bitch, please now

It's nothing but a bang up
Yeah, it's really just a bang up
And I never wanna stop
Banging them back

(What's the bang up, baby?
Feel the bang up now
What's the bang up, baby?)

It's nothing but a bang up
Yeah, It's really just a bang up
It's a bang up
Yeah, yeah
