

# You Will Always Be A Part Of Me

E-Type

My mind keeps drifting back  
To things we said this morning  
Now I'm sitting here alone  
Watching the world pass me by  
Every time we part I feel like I'm falling  
No matter what you think  
I still love you

You will always be a part of me  
No matter what we do  
You will always hold a piece of me  
Wherever I may go  
Always...

The sky gets darker  
And I sense that you are far and away  
I miss the times we had when things were going our way  
But every time we part you know how much it hurts me  
No matter what you think  
I still love you.
