

Born To Boogie

Eagles

Well, I was born, I was born to boogie
People, I was born
Said I wanna boogie
I'm gon' boogie now

Everybody's born to boogie
Every little person born to boogie
Even old people should boogie
I'm gonna boogie

Every roadie should boogie
Every grandmother should boogie
I think the Pope could boogie
He got soul
I said, The Pope's got soul
I said, The Pope's got soul
