## F the CC

**Steve Earle** 

I used to listen to the radio I don't guess they're listenin' to me no more And they talk too much but that's okay I don't understand a single word they say

They piss and moan about the immigrants Don't say nothin' about the President A democracy don't work that way I can say anything I wanna say

So fuck the F.C.C. Fuck the F.B.I. Fuck the C.I.A. Livin' in the motherfuckin' U.S.A.

People tell me that I'm paranoid I admit I'm gettin' pretty nervous, boy It just gets tougher everyday Sit around and watch it while it slips away

Been called a traitor and a patriot Call me anything you want to but Just don't forget your history Dirty Lenny died so we could all be free

So fuck the F.C.C. Fuck the F.B.I. Fuck the C.I.A. Livin' in the motherfuckin' U.S.A.

F U C K F U C K

Fuck the F.C.C. Fuck the F.B.I. Fuck the C.I.A. Livin' in the motherfuckin'

Fuck the F.C.C. Fuck the F.B.I. Fuck the C.I.A. Livin' in the motherfuckin'

Fuck the F.C.C. Fuck the F.B.I. Fuck the C.I.A. Livin' in the motherfuckin' U.S.A.
