

She's About a Mover

Steve Earle

She was walking down the street
Looking fine as she could be, hey, hey
She was walking down the street
She's looking fine as she could be, hey, hey
You know I love you, baby
Oh hear what is say, hey, hey

She walked right up to me
Said, "hey, big boy, what's your name? "
She walked right up to me
Said, "hey, big boy, what's your name? " hey, hey
We had love and conversation
Oh yeah, what I say, hey hey

She's about a mover
She's about a mover
She's about a mover
She's about a mover
Hey, hey

She's about a mover
She's about a mover
You know I love you, baby
Oh yeah, what I say, yeah, hey

Now, she walked right up to me, talkin' about me
She said, "hey, big boy, what's your name? "
Well, she walked right up to me
Said, "hey, big boy, what's your name? "
We had love and conversation
Oh yeah, what I say, hey hey

She's about a mover
She's about a mover
She's about a mover
She's about a mover, hey
