

written a list of stupid things  
this would be the king  
crowned, sitting above the rest by a neck  
it only takes a momentary lapse  
the main offenders are easy to pick out  
they're spotted from one hundred paces  
as a consensus would prove - prove

consensus proved

the point is insignificant  
when considered in comparison to  
the sound of silence experienced  
when the situation arises it feels like the armaggedon knocking  
a wiring to the national grid  
you don't need a reservation to join - join

(just) too little time  
too little time

pedal stamp  
hard grind  
wet slip  
stick shift  
contact twist  
asphalt recoil - asphalt recoil
