

## Hey June

East West

Hey June, I can't believe  
you going away again this far.  
Hey June I can't take much more of this at all  
Cause life was meant to be so much more than you are...  
Hey June, I didn't hear you come in late again last night  
Hey June, I can't smell his cologne on you  
Hey June, Are you gonna stay out late again tonight  
Cause life was meant to be so much more than you are...  
Here she comes again, she comes and goes.
