Apple Of My Eye

Ed Harcourt

When you're on your own You walk in the rain You walk around the house Then walk around it again

You pretend you're happy That you've got it all But don't be upset If you fall on your knees And beg like a dog

I've reached a low, Don't you know You're the apple of my eye I'm running low, with this show No matter how I try I'm sick of this angst, Don't need thanks You're the apple of my eye

I drink a lot of wine When I am alone I lose my track of time My ideas turn to stone I pretend I'm sad That I'm still so small But I'm not upset If I fall on my knees And beg like a dog

I've reached a low, Don't you know You're the apple of my eye I'm running low, with this show No matter how I try I'm sick of this angst, Don't need thanks You're the apple of my eye
