

I'm Ready

Eddie Cochran

The river is up, the logs are floatin'
Let's get married and stop this courtin'
I'm ready, ready-ready as I can be
I'm ready-ready, ready-ready-ready-ready-ready for you
If you're ready-ready for me
The clouds are formin', it's startin' to rain
Let's get married without a ring
I'm ready, ready-ready as I can be
I'm ready-ready, ready-ready-ready-ready-ready for you
If you're ready-ready for me
The prices are up and no-one's biddin'
Let's get married and stop this kiddin'
I'm ready, ready-ready as I can be
I'm ready-ready, ready-ready-ready-ready-ready for you
If you're ready-ready for me
