

Think Of Me

Eddie Cochran

Think of me and miss me, as I'll be missing you
Promise to be true and I'll be true to you
Dream of me and talk to me, though we're far apart
I will hear you dear, hear you in my heart
When you're all alone and you're feelin' blue
Remember that I'm here and I'll be lonely too
And the sun will shine and our love will grow
Oh, time cannot erase a love like ours, I know
So, think of me and miss me, as I'll be missing you
Promise to be true and I'll be true to you
