

# Black Water

Edward Sharpe & The Magnetic Zeros

Black water  
Drippin down your face  
Mountains in reconstitutions embrace

(Chorus)  
Guns and steel  
And the Germs of Love  
Blow for blow  
In the world of Mud  
Guns and Steel  
And the Germs of Love  
Toe to toe  
For my aching heart

Black water  
Spread your words on me  
Waste me with a BANG  
You know, for posterity

(Chorus)
