```
G-g-g-golly Sandra!
You've grown up really crazy...
Have I been too denying of you?
G-golly Sandra!
You've grown up so crazy....
Have I been too untrusting?
Take me down to the bridge
Where you know that I've always love you
And i'll go without stopping
Oh you are my scar
And that's not really far
Hey hey
Golly Sandra!
You've grown up really crazy....
Have I been too denying of you,
Take me down to the bridge
Where you know that I've always loved you
And I'll go there without stopping
Oh you are my scar
That's not really far
Hey
Well I guess I have should have been around to sing you to slee
You look so beautiful...
It hurts me slightly
Oh you are my scar
And that's not really far
Неу
