

# Addicted

Electric Valentine

All night  
(addicted to you)  
First try  
(addicted to you)  
Sun rise  
(addicted to you)  
Goodbye  
(addicted to you)

You know (4x)  
Don't slow it down  
Don't stop it now  
Don't slow it down  
Don't stop it now

Don't slow down  
Don't stop it now  
Don't slow it down  
Don't stop it now

Let's take it to the bedroom  
Oh no...  
Let's take it to the bedroom

Take me  
(addicted to you)  
Breaking  
(addicted to you)  
Save me  
(addicted to you)  
Waiting  
(addicted to you)

You know (4x)  
Don't slow it down  
Don't stop it now  
Don't slow it down  
Don't stop it now

Don't slow it down  
Don't stop it now  
Don't slow it down  
Don't stop it now

Oh no...Oh no...  
Let's take it to the bedroom  
Oh no...  
Let's take it to the bedroom  
Oh no...  
Let's take it to the bedroom  
Oh no...

Don't slow it down  
Don't stop it now  
Don't slow it down  
Don't stop it now

Don't slow it doesn't  
Don't stop it now...
