Rabies

Element Eighty

Well I'm so sick I'm sicker than you Closing walls What can I do Well I'm so sick I'm sicker than you Closing walls What can I do And I feel them in my mind And I feel them All the time Maybe they'll feed on enemies Save me from your rabies and someday you'll have to face me and there'll be no protection against me Well I'm tasting you you're tasting me I'm taking pleasure in the enemy And I feel them in my mind And I feel them All the time Maybe they'll feed on enemies save me from your rabies and someday you'll have to face me and there'll be no protection against me And I feel them in my mind and i feel them all the time all the time I feel them there'll be no protection against me Maybe they'll feed on enemies Save me from your rabies and someday you'll have to face me there'll be no protection against me
