

Here With Me

eleventyseven

There's a whisper in the air you breathe underneath the sky ton
ight there's a piece of you inside my
heart that runs to deep to describe

And your so much more than wonderful so much more than I can se
e and I could spend forever hoping you'd
be here with me

whwn the world leaves me so winded and with nothing left to say
there's an angel in your voice tha tells
me everything's okay
