Standing on the water, casting your bread
While the eyes of the idol with the iron head are
glowing
Distant ships sailing into the mist
You were born with a snake in both of your fists while
a hurricane was blowing
Freedom just around the corner for you

But with truth so far off, what good will it do.

Jokerman dance to the nightingale tune Bird fly high by the light of the moon Oh, oh, oh, Jokerman.

So swiftly the sun sets in the sky
You rise up and say goodbye to no one
Fools rush in where angels fear to tread
Both of their futures, so full of dread, you don't show one
Shedding off one more layer of skin
Keeping one step ahead of the persecutor within.

Jokerman dance to the nightingale tune Bird fly high by the light of the moon Oh, oh, oh, Jokerman.

You're a man of the mountain, you can walk on the clouds

Manipulator of crowds, you're a dream twister You're going to Sodom and Gomorrah But what do you care ? Ain't nobody there would want marry your sister

Friend to the martyr, a friend to the woman of shame You look into the fiery furnace, see the rich man without any name.

Jokerman dance to the nightingale tune Bird fly high by the light of the moon Oh, oh, oh, Jokerman.

Well, the Book of Leviticus and Deuteronomy The law of the jungle and the sea are your only teachers

In the smoke of the twilight on a milk-white steed Michelangeo indeed could've carved out your features Resting in the fields, far from the turbulent space Half asleep near the stars with a small dog licking your face.

Jokerman dance to the nightingale tune Bird fly high by the light of the moon Oh, oh, oh, Jokerman.

Well, the rifleman's stalking the sick and the lame Preacherman seeks the same, who'll get there first is uncertain

Nightsticks and water cannons, tear gas, padlocks Molotow cocktails and rocks behind every curtain

False-hearted judges dying in the webs that they spin Only a matter of time 'til the night comes stepping in.

Jokerman dance to the nightingale tune Bird fly high by the light of the moon Oh, oh, oh, Jokerman.

It's a shadowy world, skies are slippery gray
A woman just gave birth to a prince today and dressed
him in scarlet
He'll put the priest in his pocket, put the blade to
the heat
Take the motherless children off the street
And place them at the feet of a harlot
Oh, Jokerman, you know what he wants
Oh, Jokerman, you don't show any response.

Jokerman dance to the nightingale tune Bird fly high by the light of the moon Oh, oh, oh, Jokerman.
