

Man Of Mine / Stormy Weather

Ella Fitzgerald

Fish gotta swim, birds gotta fly. I'll love that man till the day that I die.

And I can't help, lovin that man of mine.

Tell he's lazy, tell me he's slow. Tell me I'm crazy, maybe I know.

And I can't help, lovin that man of mine.

When he goes away, that's a rainy day.

When he comes home that's fine, the sun will shine.

He can come home late as can be, home without him ain't no home for me.

And I can't help, lovin that man of mine.

Stormy Weather

Don't know why, there's no sun up in the sky, stormy weather.

My man and I aint together, it's raining all the time.

Life is bare, pain and mis'ry everywhere, Stormy weather.

My man and I aint together, it's raining all the time.

Can't go on, all I dream about is gone, Stormy weather.

My man and I ain't together, it's raining all the time.
