It Hurst Me Too

Elmore James

You said you were hurting
You almost lost your mind
Now the man you love
he hurts you all the time
but when things go wrong
go wrong with you
It hurts me too

You love him more
when you should love him less
why stand behind him
and take his mess
but when things go wrong
go wrong with you
It hurts me too

He loves another woman
But I love you
but you love him
and I dont know what to do
when things go wrong
go wrong with you
It hurts me too

Now he better leave you
or you better put him down
Cause I can't stand, no I can't stand
to see you pushed around
when things go wrong
go wrong with you
It hurts me too

Whoa baby! Here's my right hand.
I want you to love me,
But I cant, no I can't seem to
Get you to understand
When things go wrong
So wrong with you
When things go wrong
So wrong with you
When things go wrong
So wrong with you,
It hurts me too.
