

# Believe

Elton John

I believe in love  
It's all we've got  
Love has no boundaries, costs nothing to touch

War makes money, cancer sleeps  
Curled up in my father  
And that means something to me

Churches and dictators, politics and papers  
Everything crumbles, sooner or later  
But love, I believe in love

I believe in love, it's all we've got  
Love has no boundaries  
No borders to cross

Love is simple, hate breeds  
Those who think difference  
Is the child of disease

Fathers and son, make love and guns  
Families together, kill someone  
Without love, I believe in love  
Without love, I wouldn't believe  
In anything  
That lives and breathes

Without love, I have no anger  
I wouldn't believe  
In the right to stand here

Without love, I wouldn't believe  
I couldn't believe in you  
And I wouldn't believe in me

Without love, I believe in love  
I believe in love  
I believe in love
