Believe

Elton John

I believe in love
It's all we've got
Love has no boundaries, costs nothing to touch

War makes money, cancer sleeps Curled up in my father And that means something to me

Churches and dictators, politics and papers Everything crumbles, sooner or later But love, I believe in love

I believe in love, it's all we've got Love has no boundaries No borders to cross

Love is simple, hate breeds Those who think difference Is the child of desease

Fathers and son, make love and guns Families together, kill someone Without love, I believe in love Without love, I wouldn't believe In anything That lives and breathes

Without love, I have no anger I wouldn't believe
In the right to stand here

Without love, I wouldn't believe I couldn't believe in you And I wouldn't believe in me

Without love, I believe in love I believe in love I believe in love
