## Blessed

## **Elton John**

Hey you, you're a child in my head You haven't walked yet

Your first words have yet to be said But I swear you'll be blessed

I know, you're still just a dream Your eyes might be green

Or the bluest that I've ever seen Anyway, you'll be blessed

And you, you'll be blessed You'll have the best I promise you that

I'll pick a star from the sky Pull your name from a hat

I promise you that, Promise you that, Promise you that, you'll be blessed I need you before I'm too old To have and to hold

To walk with you and watch you grow And know that you'll be blessed

And you, you'll be blessed You'll have the best I promise you that

I'll pick a star from the sky
Pull your name from a hat
I promise you that, promise you that...

You, you'll be blessed You'll have the best I promise you that

I'll pick a star from the sky Pull your name from a hat

I promise you that, Promise you that, Promise you that, you'll be blessed You'll be blessed You'll be blessed You'll be blessed
