

Honky Tonk Women

Elton John

She's a honky tonk women
Give me, give me, give me the honky tonk blues.

I met a gin soaked, bar-room queen in Memphis,
She tried to take me upstairs for a ride.
She tried to heave me right across her shoulder
And I just can't seem to drink you off my mind.

She's a honky tonk women...

I laid a divorcee here in New York City,
I had to put up some kind of a fight.
The lady then she covered me in roses,
She blew my nose and then she blew my mind.

She's a honky tonk woman... (2x)
