

# I Saw Her Standing There

Elton John

She was just seventeen  
And you know what I mean  
And the way she looked was way beyond compare  
I couldn't dance with another  
When I saw her standing there

Well she looked at me  
and I could see  
That before too long I fell in love with her  
I couldn't dance with another  
When I saw here standing there

Well my heart went boom  
As I crossed that room  
And I held her hand in mine

Oh we danced through the night  
And we held each other tight  
And before too long I feel in love with her  
I couldn't dance with another  
When I saw here standing there
