Jamaica Jerk-Off

Elton John

When she gets up in the morning It's enough to wake the dead Oh she turning on the radio And dancing on my head

It's no good living in the sun Playing guitar all day Boogalooing with my friends In that erotic way

Come on Jamaica
In Jamaica all day
Dancing with your darling
Do Jamaica jerk-off that way

Come on Jamaica Everybody say We're all happy in Jamaica Do Jamaica Jerk-off that way

Let the ladies and the gentlemen Be as rude as they like On the beaches, oh in the jungle Where the people feel alright

So do it Jamaica
Got plenty for you and me
Honky tonking with my baby
In that deep blue sea
