

# Remember

Elton John

I fell in love with you one September  
Between the ashes and the dying embers  
What happened to our dreams  
Nothing so it seems  
But I fell in love with you  
Remember

If the phone forgets to ring this evening  
And I'm left dazed and gazing at the ceiling  
Be sure to understand  
The future's in your hands  
'Cause I'm still in love with you  
Remember

I've loved enough to know  
When I'm without a reason in hand  
Oh there's little doubt  
I've loved enough to be sure  
I've loved enough to know the reason has gone  
There's little doubt the season has gone  
When I was young and so secure

I wrote to you of romance made in heaven  
My words were touched with guilt, my sentences uneven  
What happened to the line  
I repeated time and time  
I'm still in love with you  
I'm still in love with you  
I'm still in love with you
